Editorial Section

The President Says:

Well I have not seen the damage to the repeater site so I will just use KD8CIL's description.

"The primary fuse box below the DTE meter is destroyed. This being the primary feed from the meter will require complete replacement after removal of the DTE Meter to shut off the feed, then replacement of the fuse box and completely new primary service breaker unit.

The telephone connection box cover inside the shack was found across the room from the terminal place but there was no indication of scorching on the wires".

So I guess we will have to wait for further reports on the extent of the damage to the radio equipment, if any.

Before I forget, Lee N8LJ, is going to give us another excellent presentation on one of his journeys at the July club meeting. Don't miss it.

There are several items that need help from some new names. #1 is Operation CARE for July 4th, #2 is the community service event on July 14th, and #3 is the need for more net control operators for our Tuesday night nets. None of these activities are difficult, the club simply needs your time.

I hope to see you at the July meeting.

Kevin KB8TAR

The Treasurer Says:

Greetings to one and all. Once again I come to you readers with a summer report. All is well with the treasury. Operation Care for Memorial Day was exceptional, considering that all reports said things were slow out on the hill. The donations were about the same as any other Memorial Day. That's good, in as much as our club depends on those donations to keep our dues low. As you well know there is another Operation Care coming. The Independence Day Operation Care sign up is available on the W8LAP.COM web site. Please find the time to volunteer for a few hours out on the hill for the benefit of your club.

On another note, I found out at the last meeting that there was a Saturday swap and shop in Midland on the 15 of June. I decided to go and take some stuff to sell at the trunk sales. I am sure glad that I did. The swap was a nice small swap with a reasonable turn out and I sold almost everything that I took up there. I also heard some comments about the fact that there wasn't going to be a swap in Lapeer this year. They were not happy thoughts. I told them that maybe someone will pick up the ball for next year.

I hope that everyone enjoys their summer.

Thank you very much for your participation.

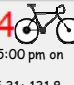

Respectfully, William Miller KD8VP Treasurer

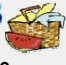

The Secretary Says:

The meeting was called to order at 7:30 with the Pledge of Allegiance to the Flag and introduction of members and guests. There was no hospital report. The minutes were read by Flo, KC8CAB. The minutes were accepted by Tom, KD8EOA and seconded by Dick, KC8VHA. The treasurers report was given by Bill, KD8VP. The treasurers report was accepted by Dick, KC8VHA and seconded by Tom, KD8EOA. Operation Care is July 4 through 7. We could use help. This year there will be no swap. The August meeting will probably be in the park again. Watch the newsletter or listen to the repeater. Otter Lake is having field day across from the camp grounds. Tom, KD8EOA and wife may be moving to Cadillac in the near future. Break was from 7:55 to 8:02. There was a presentation on FLdigi. 50/50 was won by Greg, W8BOGJ. The meeting was closed at 8:30 by Jamie, KC8PMW and seconded by Tom, KD8EOA.

Flo KC8CAB

2013 LAPEER COUNTY TORNADO SIREN TEST SCHEDULE

If your community does not have a siren, or you cannot hear a siren, you may want to purchase a NOAA All Hazard Weather Radio.

If your community has a tornado siren, below are the dates that it will be tested:

Saturday, April 6th
Saturday, May 4th
Saturday, June 1st
Saturday, July 6th
Saturday, August 3rd
Saturday, September 7th
Saturday, October 5th

All Tests Will Be Held At 1:00PM

Should inclement weather be present at the time of testing, the test will be cancelled. If you have any questions, please contact your local fire department.

Here is a website you can use to research tornado history and tracks.
The Columbiaville tornado from 2012 is shown in the lower map.
