PRESIDENT'S SPRING 2021 LETTER

LCARA (and the rest of the world's) activities have been disrupted since the beginning of the pandemic, to say the least. The LCARA board had big plans for 2021 – including Amateur Radio classes, exciting technology presentations, and new community outreach activities. Also, part of belonging to LCARA is being able to participate with fellow hams at monthly in-person meetings. As a club – we've struggled to fulfill many of our goals over the past year. I truly hope that we'll be able get our momentum back – learning, teaching, and sharing the art of Amateur Radio with our community.

Your continued membership and participation are vital to the continued success of our club. If you have not had the chance to renew your membership – please do so now. We'll continue to hold in-person membership meetings, starting April 13th, following MDHHS guidelines.

I look forward to seeing you all at the April meeting. We have a lot of catching up to do – hopefully you all can make it!

73,

Scott Nicholes / N8XP
LCARA President
